High Country Classic

Saturday, April 22, 2000

Flagstaff, Arizona

A new U.S.C.F. event on the Arizona calendar. This event is replacing "Williams-Belmont-Williams" and follows a "Spring Classic" theme. This course does not include dirt roads; however the repetitive hills and winds will surely make a deserving winner.

This event will start at Heritage Square in downtown Flagstaff on Aspen St. Flagstaff P.D. will control a neutral start for the first 5 miles out of town. The racing will only begin when the police let you know to start. The event will head straight out Lake Mary Road to the respective turn around and will return back on Lake Mary Road to the turn off to Marshall Lake Road. Turn right on Marshall Lake Road and climb to the finish at the top of the hill. This course has MANY cattle guards, please be careful when turning on to or off of a new road.
