John Earley Memorial VALLEY OF THE SUN STAGE RACE February 18,19,20 2000 EXXON CRITERIUM

Criterion racing in downtown Phoenix on the traditional State Capitol course around Wesley Bolin Plaza. ~~AREA MAP~~ A flat .8 mile circuit provides a perfect venue for fast-paced race action and spectator viewing.

Criterion racing in downtown Phoenix on a flat .7 mile course near the Arizona State Capitol and Wesley Bolin Plaza. [AREA MAP](#) The figure 8 circuit provides a perfect venue for fast-paced race action and spectator viewing.

NOTE: Due to a scheduling conflict for the State Capitol area, the Criterium Course will be modified from that previously announced. We will be moving our race to the east end of the Wesley Bolin Plaza and Start/Finish area to Jefferson between 16th and 17th Ave.

The new course will be a figure eight shape heading west on Jefferson, turning left (south) on 17th, left again on Madison going east. A sweeping left turn on to 16th will bring the riders back to Jefferson (right turn). Turning left on 15th, and left again on to Washington, the racers will veer left on to 16th Ave. where Washington and Adams separate. After curving around on 16th, a right turn will bring the riders back to the S/F. The distance will be approximately .7 mi.

The capital area will be congested. 17th Ave. will be closed to traffic. To avoid delays, racers should arrive early, coming south on 7th Ave. from I-10, west (right) on Adams past 15th, into the first parking lot on the left. Additional parking will be available in the lot on the south side of Adams (which used to be on the inside of the old course).

After all was said and done, we came away with what I believe is a truly awesome crit course and one that will be worthy of our race. I even venture to say that it will rock!!! The course will be challenging for the racers and provide incredible opportunities for spectators from almost every vantage point. Bring your blankets and lawn chairs, it will be a wonderful place to spend the day. There will be plenty of space for teams to set up a picnic area.

Thanks, Irma Sandercock - Criterium Director

Some categories may be raced together but will be scored separately.
